

EMPLOYEE ENGAGEMENT

GET YOUR EMPLOYEES INVOLVED

IN-SCHOOL MENTORING

Encourage your employees to participate in the In-School Mentoring program. Promote the program in your office. Develop flexible work schedules. Talk to us about profiling your company as a corporate sponsor.

Employee morale, job satisfaction and productivity is improved by participating in the In School Mentoring Program.

BOWL FOR KIDS SAKE

Big Brothers Big Sisters Bowl for Kids Sake is a great team-building event for employees. Form a team with your business and compete with other teams from the community to raise the most dollars or show the most team spirit at the bowling event. If your company is large enough to have several departments or branches, form teams for each department and have them compete amongst themselves.

The bowling event is a fun time and a great way to support young people in your community. There are usually prizes at the event (ex. best costumes, most team spirit, most money raised etc).

Put a smile on your employees' faces and watch them have a great time while helping a great cause!
